

Songs of Solidarity: The Potential and Limits of Latinx Allyship

ELENA MACHADO, ENGLISH

Tuesday, September 16, 2025

4:30pm

Traditional Reading Room (BERT 213)

POWER STREET THEATRE

Theatre facilitates a social communion, a “being with” such that the active and shared embodied experience of performance can sustain a community archive of inter-generational knowledge. Machado’s talk focuses on two US Latinx creatives who serve as leaders of Latinx regional theaters while also writing and producing plays for local US Latinx audiences.
